

Review

1. What were a few take-aways (Reminders, Realizations, Refreshments) from this past Sunday's message?

Study

2. a. In 1 John 2:1-2 there is the call to not sin but also what to do when we sin. When you fall into sin, how does gospel comfort you? Why is it hard to believe in what Jesus has done?

b. In verses 3-6, John says that Christians ought to keep his commandments and walk as Jesus walked. How is God shaping you to become more like Christ?

Application/Prayer

3. John wants to assure Christians that the gospel leads to godliness. The reason that John writes these things is "so that you may not sin." In what ways do you need to fight sin?
